

BUSINESS UNIFORMING

CURATED COLLECTIONS FOR TODAY'S
PROFESSIONAL WORKFORCE

From Wall Street corporate
to Silicon Valley cool,
the definition of a uniform
has shifted to include more
individuality and personality.

OUTFIT YOUR TEAM IN STYLES THAT WILL LEAVE A LASTING IMPRESSION

STEP ONE

Choose a color scheme that fits your business and complements your logo.

STEP TWO

Select a shirt and coordinating outer layer that reflect your company's culture.

STEP THREE

Give it a hand-crafted feel by enhancing the uniform with accessories and personal touches.

CORPORATE

The modern corporate go-getter is always on the move. Functional, travel-friendly pieces let you seal the deal whether you're commanding the boardroom or taxiing on the runway.

- Consider natural colors for styles that will look sharp year-round.
- Replace your blazer with a 1/4-zip fleece for an updated, VIP look.

CASUAL

Casual uniforms blur the lines between office hours and happy hours. These street-ready styles can be worn on your way to work, the gym or a night out on the town.

- Build layers over athleisure pieces to stay cool and dry whether you're on a basketball court or on a conference call.
- Pick tailored cuts for clean looks that are also comfortable.

COOL

Inspired by the forward-thinking tech industry, cool styles focus on comfort and individuality without sacrificing the tidy looks that show you're part of a team.

- Transform have-to-wear company uniforms into want-to-wear company fashion statements.
- Not just for millennials anymore! Cool styles have shifted office dress codes for everyone, whether you're a Gen Xer, a baby boomer or beyond.

Create a unified office experience while allowing your employees to personalize their styles by designing a menu of coordinated options.
