Experts in dressing both back and front-of-house staff, Chef Works has a diverse range of customers including international hotel chains, award-winning restaurants and bars, culinary schools, foodservice companies, laundries, and assisted living facilities.

Headquartered in San Diego, California, the corporation has helped pave the way for the current culinary uniform movement by working directly with chefs and culinary personnel to develop innovative, fashion-forward garments.

# SIZING

---

Chef Works has the perfect fit for you. To find your perfect fit, we've provided you with three easy-to-follow steps outlined below.

Please note our proprietary designs give Chef Works garments individual fits to allow for maximum comfort and function.

## FIND YOUR PERFECT FIT IN 3 EASY STEPS

**1**

How do you want your garment to fit? Choose your fit from the color-coded charts shown on the next few pages.

**2**

What are your measurements? All of our garment size charts refer to actual chest, waist or hip measurements. Match yours to our charts to find your size.

**3**

Pick your garment!

## MEASUREMENT GUIDELINES

To get the best fit, stand straight and relax. With a measuring tape, use the illustration shown at the right as a guide and follow instructions below.

**CHEST:** Measure all the way around your body from the fullest part of the chest/bust with your arms down.

**WAIST:** Measure around your natural waistline above the hips.

**HIPS:** Measure around the widest part of your hips.

**INSEAM:** Measure from the base of the crotch to the bottom of your heel.
